MEMORANDUM FOR: Deputy Director of Central Intelligence
The General Counsel
The Inspector General
Assistant to the DCI for Public Affairs

FROM : Coordinator for Academic Relations, NFAC

SUBJECT : Academic "Guidelines" on Faculty Relations with
the Intelligence Organizations

In connection with the visit here by three university presidents tomorrow, Friday, 10 March 1978, the Director asked me to prepare for him a memorandum reviewing the "guidelines" issue, which is traceable to the Church Committee report but began when the President of Harvard appointed a committee who produced a set of six recommended guidelines on relationships between the Harvard faculty and United States intelligence agencies. It occurred to me that you might like to have a copy of my memorandum for information. I should appreciate any comment you may have indicating inaccuracies or inadequacies in the memo.
